The Dragon's Path 2011-04-21

the dragons are gone the powerful magics that broke the world diluted to little more than parlour tricks but the kingdoms of men remain and the great game of thrones goes on lords deploy armies and merchant caravans as their weapons manoeuvring for wealth and influence but a darker power is rising an unlikely leader with an ancient ally threatens to unleash again the madness that destroyed the world once already only one man knows the truth and from the shadows must champion humanity the world's fate stands on the edge of a dagger its future on the toss of a coin

The Spider's War 2016-03-08

the last battle draws near in the spider's war the thrilling final volume in daniel abraham's acclaimed dagger and coin series lord regent geder palliako's great war has spilled across the world nation after nation falling before the ancient priesthood and weapon of dragons but even as conquest follows conquest the final victory retreats before him like a mirage schism and revolt begin to erode the foundations of the empire and the great conquest threatens to collapse into a permanent war of all against all in carse with armies on all borders cithrin bel sarcour marcus wester and clara kalliam are faced with the impossible task of bringing a lasting peace to the world their tools traitors high in the imperial army the last survivor of the dragon empire and a financial scheme that is either a revolution or the greatest fraud in the history of the world

The Amorium Mint and the Coin Finds 2013-02-17

this fourth volume in the amorium monograph series is devoted to the numismatic evidence from the ancient and mediaeval city of amorium in central anatolia turkey it comprises two distinct parts in section 1 the city mint of amorium is discussed and illustrated by a chronological and typological catalogue of known specimens the city mint flourished from the late republican period until the reign of the emperor caracalla in sections 2 and 3 there is a catalogue of some 730 coins dating from hellenistic to ottoman times that have been found at the site between 1987 and 2006 the majority of these finds belong to the byzantine period between the reigns of anastasius i and alexius i and provide confirmation of the city's enduring importance and economic vitality as the capital of the anatic theme

Cleo and the Coin 2015-07-21

jesus told peter to cast a hook into the sea and to take up the first fish he caught from its mouth he was told to take the coin he found and pay the tribute money for jesus and himself have you ever considered how that coin got in the fish's mouth cleo is that fish and the story of that coin changed cleo's life forever swim along with cleo after he builds the most awesome nest in the school proud of himself cleo wants to show it off he visits his friends to invite them to see it but a terrible deed is committed that destroys his home and his pride cleo swims off dejected only to discover the one thing that can give him back the pride he has lost and the envy of his friends marvel with cleo when he is saved from a horrible death and learns the lessons that will change his life forever

The Tyrant's Law 2013-05-14

the great war cannot be stopped the tyrant geder palliako had led his nation to war but every victory has called forth another conflict now the greater war spreads out before him and he is bent on bringing peace no matter how many people he has to kill to do it cithrin bel sarcour rogue banker of the medean bank has returned to the fold her apprenticeship has placed her in the path of war but the greater dangers are the ones in her past and in her soul widowed and disgraced at the heart of the empire clara kalliam has become a loyal traitor defending her nation against itself and in the shadows of the world captain marcus wester tracks an ancient secret that will change the war in ways not even he can foresee return to the critically acclaimed epic by master storyteller daniel abraham the dagger and the coin for more from daniel abraham check out the dagger and the coin the dragon's path the king's blood the tyrant's law the widow's house the spider's war

The Coin Collector's Manual 1853

coin inventory log book are you fond of collecting coins most coin collectors need an easy way of keeping track of their inventory they feel even more motivated whenever they see how many coins they have on their record this is an effective and efficient way to keep track of coins you have collected and supplies of the collectible coins it preserves data of each coin which can soon be used for cross referencing we made this journal as personal allow this coin inventory log book to be your coin collecting chum record the memorable experiences while acquiring the coins of where and how you acquired it user friendly convenient keeping a log book of all the coins you have collected keeps you inspired to collect more of it this is simple and easy to use and the pages are ready and waiting to be filled sturdy notebook we want your coin records to last a long time so you can always look back on your previous entries without worrying that it might loosen the pages the sturdy cover is made of tough paperback with strong secure professional trade binding so the pages won't fall out after a few months of use well customized interior we only used quality thick white paper to reduce ink bleed through to ensure that you'll enjoy writing in our notebook the columns are clearly marked to make it easy to fill out there are 4 pages toc for easy locating of entries if you'll be using it as a reference on your next coin items unique covers to top it all we have a collection of distinct coins cover designs for you to choose from get moved by our array of truly creative book covers designed just for coins collector like you we stand for quality and aim to provide the best writing experience with our notebooks use our coin inventory log book to write down your thoughts and great experiences upon the acquisition of coins this is a great keepsake and a perfect memento to browse if you want to relax and inspire yourself with your achievements as a coin collector get a copy now

The Coin Situation 1966

excerpt from the coin book comprising a history of coinage a synopsis of the mint laws of the united states statistics of the coinage from 1792 to 1870 list of current gold and silver coins and their custom house values an inquiry therefore into the coinage of a country like great britain from the earliest times possesses an interest apart from the subject itself as a mere antiquarian research because it throws an indirect ray of light on the social condition of the people from age to age and enables us to note the progressive steps of their improve ment in taste refinement and mechanical invention as well as to ascertain their comparative wealth and social comfort indicated by the value of the necessary articles of life the subject partakes not indeed of the true dignity and importance of history but in a less ambitious channel of research it is not without utility and instruction about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Coin Collector's Manual, or guide to the numismatic student in the formation of a cabinet of coins 1853

The Coin Book 2015-07-18

a bold and unabashed novel about a young palestinian woman s unraveling far from home as she gets caught up in a scheme reselling birkin bags the coin follows a palestinian woman as she pursues a dream that generations of her family have failed at to live and thrive in america she teaches at a school for underprivileged boys in new york where her eccentric methods cross conventional boundaries she befriends a homeless swindler and the two participate in a pyramid scheme reselling birkin bags the value of which increases year by year regardless of poverty of war of famine the juxtaposition of luxury and the abject engulfs her as she is able to con her way to bag after bag preoccupied by the suffering she knows of the world eventually her body and mind go to war america is stifling her her willfulness her sexuality her ideology in an attempt to regain control she becomes preoccupied with purity cleanliness and self image all while drawing her students into her obsessions in an unforgettable denouement her childhood memories converge with her feelings of existential statelessness and the narrator unravels spectacularly enthralling sensory and uncanny the coin explores materiality nature and civilization class homelessness sexuality beauty and how oppression and inherited trauma manifest in every area of our lives all while resisting easy moralizing provocative and original humorous and inviting the coin marks the arrival of a major new literary voice

The Coin World Beginner's Guide to Collecting Coins and Paper Money 1990-03-06

coins of the best known roman revolutionary era allow rival pretenders to speak to us directly after the deaths of caesar and cicero in 44 and 43 bc hardly one word has been reliably transmitted to us from even the two most powerful opponents of octavian mark antony and sextus pompeius except through coinage and the occasional inscription the coins are an antidote to a widespread fault in modern approaches the idea from hindsight that the roman republic was doomed that the rise of octavian augustus to monarchy was inevitable and that contemporaries might have sensed as much ancient works in other genres skilfully encouraged such hindsight augustus in the res gestae and virgil in georgics and aeneid sought to flatten the history of the period and largely to efface octavian s defeated rivals but the latter s coins in precious metal were not easily recovered and suppressed by authority they remain for scholars to revalue in our own age when public untruthfulness about history is increasingly accepted or challenged we may value anew the discipline of searching for other ancient voices which ruling discourse has not quite managed to silence in this book eleven new essays explore the coinage of rome s competing dynasts julius caesar s coins and those of his son octavian augustus are studied but similar and respectful attention is given to the issues of their opponents cato the younger and q metellus scipio mark antony and sextus pompeius q cornificius and others a shared aim is to understand mentalities the forecasts current in an age of rare insecurity as the superpower of the mediterranean faced and slowly recovered from

ramon espejos leben verläuft bei weitem nicht so wie geplant nicht nur dass er auf einem kaum erschlossenen kolonieplaneten gestrandet ist er muss auch noch vor der justiz in die wildnis flüchten weil er im streit um eine frau seinen gegner getötet hat dort wird er von einem bislang unbekanntem alien volk gefangen genommen da entkommt ein anderer menschlicher gefangener der kontrolle der aliens diese zwingen ramon den flüchtigen für sie zu verfolgen er soll ihn aufhalten bevor die kolonie von der existenz der aliens erfährt aber vielleicht ist das auch die gelegenheit für seine eigene flucht

The Coin 2019-09-15

this edited collection analyses the phenomenon of coin use for religious and ritual purposes in different cultures and across different periods of time it proposes an engagement with the theory and interpretation of the material turn with numismatic evidence and an evidence based series of discussions to offer a fuller richer and fresh account of coin use in ritual contexts no extensive publication has previously foregrounded coins in such a model despite the fact that coins constitute an integrated part of the material culture of most societies today and of many in the past here interdisciplinary discussions are organised around three themes coin deposit and ritual practice the coin as economic object and divine mediator and the value and meaning of coin offering although focusing on the medieval period in western europe the book includes instructive cases from the roman period until today the collection brings together well established and emerging scholars from archaeology art history ethnology history and numismatics and great weight is given to material evidence which can complement and contradict the scarce written sources
