Public Theology Perspectives on Religion and Education 2019-01-23 in order to draw out the relationship between publicly oriented christianity and education this book demonstrates that education is an important method and prerequisite of public theology as well as an urgent object of public theology research s attention featuring work from diverse academic disciplines including religion education theology philosophy and religious studies this edited collection also contends with the educational challenges that come with the decline of religion on the one hand and its transformation and regained public relevance on the other taken together the contributions to this volume provide a comprehensive argument for why education deserves systematic attention in the context of public theology discourse and vice versa

Public Theology for the 21st Century 2004-01-01 the book is a unique stocktaking by a leading international group of theologians social scientists and other scholars on issues facing public theology at the beginning of the 21st century it combines retrospect and prospect in that it reflects on the issues and approaches that have characterized public theology in the 20th century especially its latter half and attempts to anticipate those which will or should come to the fore in the 21st century seeking to discern continuities and changes three opening chapters deal with the overall theme of public or political theology with jurgen moltmann giving a critical historical account from the second world war onwards raymond plant relating such theology to cultural pluralism and andrew morton illustrating it from the work of duncan forrester these are followed by pairs of contributions relating public theology to more specific topicsr history technology and creation globalization spirituality punishment and forgiveness medical ethics tolerance and human rights social exclusion and equality

The Way Out of Darkness 2008-02 this book is about the vital leadership role that true religion must play in society in order to be relevant for the threatening challenges and in order to be true to the mission and the high calling of god in christ in this 21st century to highlight this challenge the author brings forth a most difficult and bothersome question that has evolved out of the dynamic mix of cultural diversity in that question is how can the christian americans hold on to their patriotism for america and their loyalty to jesus christ with uncompromising conviction and yet be inclusive of the growing influx of cultural diversity and religious pluralism in a high technological society this book provides the theological foundation for validating the christian and american heritage in america and how this unique heritage must learn how to relate redemptively to cultural diversity ecumenism universalism and the world the enlightening principles and practice of public theology offer a ray of light and a star of hope out of the darkness

Public Theology in the Secular State 2021-01-12 this book gives a persuasive answer to the need for public theology today rudolf von sinner can draw from a rich basis of scholarship and experience related to the topic of public theology his clear awareness of the contextuality of public theology is the reason for his repeated assurance in this book that we cannot speak about public theology but always only of a public theology at the same time it is very clear for him that there is also an intercontextuality one of the great strengths of this book is its embeddedness into an international discourse on public theology with a special emphasis on the south south exchange it is a contribution to public theology scholarship in its best sense i proudly welcome its publication in our series bishop prof dr heinrich bedford strohm evangelical church of germany rudolf von sinner is professor of systematic theology at the pontifical catholic university of paran at curitiba as well as professor extra ordinary at the faculty of theology of the university of stellenbosch south africa

Calvinist Trinitarianism and Theocentric Politics 1989 a comprehensive introduction to an english speaking audience of arnold van ruler s trinitarian theology and theocentric socio political vision gestaltwerdung christi der welt theologie van het apostulat the introductory essay by the translator locates van ruler s thought in the context of calvinism in general and dutch calvinism in particular and considers the relevance of van ruler s theology for north american social ethics including current discussions about the need for public theology

A Companion to Public Theology 2017-01-23 the companion to public theology offers a collection of cutting edge essays by an international group of scholars that provides a foundation for public theology as well as engagement with a wide range of public issues in dialogue with other disciplines

Theology in the Public Sphere 2013-01-03 a substantial and definitive introduction to public theology by one of the leading experts in the field a key text for third year undergraduate modules and ma courses in social ethics political theology and public theology

Public Theology, Religious Diversity, and Interreligious Learning 2018-06-14 this book describes the relationship of christian public theology to other religions and their ways of contributing to the common good it also promotes mutual learning processes in public education to strengthen the public role and responsibility of religions in pluralistic societies this volume brings together not only public education and public theology but also scholars from a variety of disciplines such as philosophy cultural studies and sociology and from different parts of the world by doing so the book intends to widen the horizon and provide fresh impulses for public theology as well as the discourse on public religious education

Toward a Public Theology in Myanmar 2023-10-10 the essays in this volume reflect the journey of a team from myanmar and india listening and learning from each other the

intention is for theologians pastors and public intellectuals from southeast asia starting from the association of theological education in south east asia atesea to initiate or strengthen discussions on the theme of public witness in situations where the discussion has begun we hope this contribution will add to the process at a fundamental level this volume will trigger a rethinking of mission in myanmar in the context of re imposed military rule the volume is divided into three parts the first offers an introduction leading up to the book and to the association of theological education in myanmar atem the second a section on theology of public witness and broad theoretical formulations concluding with a wide array of the contemporary issues on the ground the articles come out of the five workshops for professional theologians from seminaries social activists from a christian faith background and pastors

The Bible, Justice and Public Theology 2014 public theology is a developing field of discourse concerned to address matters of pressing public concern in theological perspective for the common good themes of ecology poverty human rights and especially justice feature prominently in its discourse although justice is also a prominent theme in the bible there is no single perspective on what constitutes justice in the bible and no single view on how biblical perspectives on justice should contribute to contemporary discussion regarding the meaning and implementation of justice informed and inspired by christopher marshall s landmark work on compassionate justice cascade books 2012 in dialogue with jesus parables of the good samaritan and the prodigal son this collection of studies addresses various interrelations between the bible justice and public theology marshall himself proposes that certain parables of jesus are paradigmatic for public theology and some contributors respond to different dimensions of his treatment of the parables of the good samaritan and the prodigal son in terms of restorative justice other contributors by contrast examine broader related concerns such as justice in biblical theological and philosophical perspective the hermeneutics of engagement for justice the relation between feminist theology and restorative justice biblical resources for public theology and popular culture as both a conversation partner with and a medium for public theology

Between a Rock and a Hard Place 2013 t t clark handbook of public theology introduces the various philosophical and theological positions and approaches in the emerging discourse of public theology distinguishing public theology from political theology as well as from liberation theology this book clarifies central terms like public sphere the secular and post secularity in order to highlight the specific characteristics of public theology its particular focus lies on the ways in which much of public theology has established itself as a contextual theology in politically secular societies aiming to continue the apologetical tradition in this specific context depending on what is regarded as the most pressing challenge for the reasonable defence of the christian hope in liberal democracies public theologians have focused on social ethics ecclesiology or soteriology with the aim to strengthen the virtues needed for democratic citizenship here attention is being paid to protestant catholic and orthodox perspectives the volume further illustrates the characteristics of the discourse by introducing the ways in which public theologians have responded to concrete challenges arising in the spheres of politics economics ecology sports culture and religion to highlight the international scope of the public theological discourse the volume concludes with a summarizing overview of public theological debates in africa asia australia europe north america and latin america

T&T Clark Handbook of Public Theology 2022-06-02 this book investigates the intersection of theology and social theory in the work of jürgen moltmann in particular it examines the way in which his concept of the exodus church can illuminate the importance of the idea of civil society for a christian public theology the concept of civil society can aid in moving from the narrower category of political theology a term used frequently by moltmann to emphasize the church s public commitment to a broader understanding of theology s public task which takes into account the plurality of ends and institutions within society the idea of the exodus church enables deeper understanding of christian ethical participation within a complex modern society

Exodus Church and Civil Society 2016-04-15 public theology involves the application of biblical and theological principles outside the confines of the church and assesses their implications for wider society it examines both the theoretical structures of society the nature of secularity government globalisation pluralism and so forth and the myriad specific issues involved in daily life everything from sport to work place relations to economics public theology is also very importantly a discipline that is practiced by the ordinary christian as well as the academic and it is done in public with all the scrutiny that entails and in such a way that it communicates to non christians although it remains a theological endeavour in a real sense it is theology for the world from the word by the people of god the volume has a variety of contributors and includes an article on the role of public theology in islam

Public Theology in Law and Life 2012-08-30 max l stackhouse is one of the most prolific and influential american theologians of the last half century and he has been widely recognized

for his contributions to the emerging field of public theology this volume compiles some of stackhouse s most significant shorter writings these selections make clear his central role in the development of public theology as a distinct disciplinary perspective in the fields of christian theology and theological ethics shaping public theology serves as an introduction to stackhouse s extensive corpus readers will see the depth and breadth of his comprehensive public theology while also gaining insight into his singular importance for the field

Shaping Public Theology 2014-01-30 postcolonial public theology is a tour de force theological reflection transformed by encounter with the most compelling intellectual discourses of our time it offers prophetic challenge to the hegemony of economic globalization evolutionary science s encounter with life s limit questions requires an ethically responsible practice of scientific rationality measured by sufficient sustainable livelihood for all interreligious engagement compels us to take seriously the realities of cultural hybridity and social location in reimagining a polycentric christianity postcolonial public theology makes the case for public theology to turn toward postcolonial imagination demonstrating a fresh rethinking of public and global issues that continue to emerge in the aftermath of colonialism this book provides students and scholars in these various fields an interesting framework from which to continue to dialogue about the relevance of this literature and in particular the continuing importance of christian theology in the public arena

Postcolonial Public Theology 2016-02-02 from wealth creation to wealth distribution and social ethics from urban mission to religious studies and psychology the work of john atherton was breathtaking in scope and variety unifying all of his work however was a concern with engaging the work of theology with wider society with contributions from some of the leading lights in public theology today this book offers not only an appreciation of john atherton s work within a prodigiously large array of disciplines but also an attempt to ask what next taking his work forward and considering where the future of public theology might lie john atherton s last published article is also reproduced

Theology for Changing Times 2018-09-30 public theologians are already thundering like prophets at climate change and racial injustice but the gale force winds of natural science blow through society as well the public theologian should be on storm watch

The Voice of Public Theology 2022-11-07 in these essays honoring ethicist max stackhouse leading christian scholars consider the historical roots and ongoing resources of public theology as a vital element in the church s engagement with global issues public theology for a global society explores the concept of public theology and the challenge of relating theological claims to a larger social and political context the range of essays included here allows readers to understand public theology as both theological practice and public speech and to consider the potential and limits of public theology in ecumenical and international networks the essays begin by introducing the reader to the development of public theology as an area of study and to the historical interrelationship of religious legal and professional categories the later essays engage the reader with emerging problems in public theology as religious communities encounter shifting publics that are being transformed by globalization and sweeping political and technological changes the breadth and scholarship of public theology for a global society make this volume a fitting tribute to stackhouse a central figure in christian ethics and pioneer in the church s study of globalization

Public Theology for a Global Society 2010 public theology is a rapidly growing international field of study which focuses on how christian belief and practice engage with wider social issues yet whilst the ultimate concern of public theology is the well being of society this body of theology has largely developed without integrating the thinking of feminist theology and its insights into womens lives and experience public theology and the challenge of feminism argues that public theology risks re inscribing traditional constructs of public and private civic and domestic and uncritical notions of gender and the work and worth of people the book brings together both theory and case material to expose how public theology has actively downplayed or ignored feminist perspectives and to reveal how constructive feminism can be for the future of public theology

Public Theology and the Challenge of Feminism 2015-05-01 what happens when edward schillebeeckx s theology crosses paths with contemporary public theology this volume examines the theological heritage that schillebeeckx has left behind as well as it critically assesses its relevance for temporary theological scene in tracing the way s in which schillebeeckx observed and examined his own context s increasing secularization and concomitant development toward atheism the contributors to this volume indicate the potential directions for a contemporary public theology that pursues the path which schillebeeckx has trodden the essays in the first part of this volume indicate a different theological self critique undertaken in response to developments in the public sphere this is followed by a thorough examination of the degree to which schillebeeckx succeeded in leading christian theology ahead without merely accommodating the christian tradition to current societal trends the third part of the volume discusses the issues of climate change social conceptions of progress as well as the evolutionary understandings of the origins and purpose of religions the final part examines schillebeeckx s soteriology to contemporary discussions about wholeness

Salvation in the World 2017-09-07 this study commends the public theology of the english reformation as a fruitful though neglected resource for a critical analysis of the contradictions of freedom that riddle late modern liberal democracies and a constructive response to them drawn from the key legal liturgical homiletic and confessional elements of the english reformation this foundational anglican tradition provides a theological vantage point for understanding current moral and political impasses in the western legacy of natural rights the extensive development of natural rights in pre modern scholastic theory and practice and its continuity with theoretical development from the 17th century onward make the reformers criticisms of scholastic moral political and ecclesial thought germane to identifying the problematic features of the prevailing modern tradition and to furnishing a theological alternative to them these features are an individualistic and voluntarist conception of moral agency a regulative and juridical orientation to human relationships and an anthropocentric concentration on human rather than on divine right judgement and freedom the humanity they portray is detached from its created ordering to christological perfection and bound within a self enclosed ethical and political self understanding this is effectively countered by the english reformers presentation of the salvation of creation in christ faith working through love the spiritual fellowship of the church and the provisional character of political jurisdiction

English Public Theology 2023-11-16 in addition to considering such key issues as poverty wealth and power theocracy and pluralism civil religion the culture wars and political cooperation between evangelicals and roman catholics bolt also draws extended comparisons between kuyper s views and the thought of alexis de tocqueville lord john acton pope leo xiii walter rauschenbusch and jonathan edwards a distinctive feature of this study is its focus on the rhetorical poetic character of kuyper s public theology and practice as a political leader bolt shows how focusing on kuyper s rhetorical and mythopoetic perspective rather than on his theological and philosophical ideas provides contemporary evangelicals with a more credible and effective theology for the public square jacket

A Free Church, a Holy Nation 2001 the united states is in a crisis of freedom influenced by neoliberal economics the concept of freedom has become identified with an abstract radical individualism disdainful of responsibility to others and to the past signs of this crisis crop up everywhere some invoke freedom as justification for refusing to wear a mask in a pandemic others argue that freedom is an empty word if it s celebrated apart from an honest engagement with the country s history of racism created freedom under the sign of the cross offers a catholic theological response to this crisis of freedom catholic social ethics may be better known for its emphasis on social principles like the common good and solidarity but developments in catholic theologies of freedom in the last decades provide fertile ground from which to develop a bold creative response to this american crisis of freedom in this book theologian david decosse draws on thinkers ranging from philosopher amartya sen to black catholic theologian shawn copeland to twentieth century theological giant karl rahner in order to reimagine american freedom in light of classic catholic emphases on embodiment relationship history the good and god the result is a catholic public theology that provides a redemptive path forward in an age of crisis

Created Freedom under the Sign of the Cross 2022-06-08 offers many helpful ways to theologize about culture with missional intent public theology in cultural engagement offers foundational and programmatic essays exploring helpful ways to theologize about culture with missional intent the book opens with three chapters taking steps towards developing a general theology of culture part two explores the contribution of key biblical themes to a theology of culture creation law election christology and redemption the final section considers theological proposals for engagement with culture past and present with contemporary reflections on nationalism and on drug culture contributors include colin gunton robert jenson stephen holmes christoph schwobel colin greene luke bretherton and brian horne

Public Theology in Cultural Engagement 2008 chow argues that christians in mainland china have been constructing a more intentional public theology to engage the chinese state and society since the end of the cultural revolution 1966 76 he recalls the events which have led to this transformation and examines the developments of christianity across three generations of chinese

Chinese Public Theology 2018 jae yang develops a pannenbergian public theology by correlating pannenbergs theological methods postfoundational eschatological and trinitarian with the aims and methods of public theology he argues that pannenbergs public theology engages not just the academic world but also the political economic familial religious and cultural ones

Christianity Outside the Church 2024 a synthesis and critical evaluation of murray s social writings which argues that murray s life work still represents the best starting point for public theology in the united states of america

The Search for an American Public Theology 1989 higher education has not escaped the imperative of transformation which has marked the post apartheid south african landscape the nature of the changes at universities however is open to critique fundamental questions concerning the ideological moorings of knowledge and the politics of the curriculum have not yet been satisfactorily addressed during the apartheid era theology faculties played influential roles at traditional universities and were often characterised by unsettling exclusion of non christian religions non calvinist denominations and marginalised voices this volume of essays evidences a process at the university of the free state s faculty of theology to reflect seriously about the need for transformation at the fundamental level that is of knowledge the challenge for theology at a public university is framed in terms of epistemological transformation a number of outstanding public intellectuals such as jonathan jansen crain soudien and lis lange have been invited to present papers to clarify the conceptual challenge and what this might entail for theology well known theologians such as conrad wethmar allan boesak and martin prozesky reflect on the nature of theology and religion at universities amidst social exigencies two international theologians harold attridge from the prestigious yale divinity school and bram van de beek from the free university of amsterdam share their experiences of institutions that exemplify excellence and ecumenical openness theologians from the departments of practical theology and systematic theology at the university of the free state writing from the inside articulate the challenges they envision for theology in a post apartheid dispensation the essays represent a variety of perspectives but all attest to a commitment to re think the nature and task of theology at a public university accepting the challenge of knowledge and power of plurality and otherness and of restorative intellectual justice these timely essays make a unique contribution to the discourses on transformation and on theology at a public university

Christian in Public 2007-01-01 all over the world the term public theology has become a heading for theological discussion on the public relevance of christian traditions and the public mission of christian communities what does public engagement look like in contexts as diverse as south africa brazil oceania europe and north america what are the different challenges and how can theology and ecclesial praxis meet them are there widespread intercontextual features to all contextual public theologies questions like these were discussed during an international conference in bamberg in june 2011 under the title contextuality and intercontextuality in public theology this volume brings together the contributions from the conference and offers some answers to the questions posed above series theology in the public square theologie in der offentlichkeit vol 4

Contextuality and Intercontextuality in Public Theology 2013 what are the implications of a person s faith for christian social ethics robert benne elaborates a basic theological ethical framework for engaging the christian vision with its surrounding public environment political ethical cultural and intellectual he offers practical ways in which religious traditions do in fact engage the public environment

The Paradoxical Vision 1995 ashley smith was a reformed jamaican theologian and minister of the united church in jamaica and the cayman islands well known for his unapologetic anti imperial afro centric interpretation of scriptures smith s contribution in shaping the post independence theological discourse in jamaica is significant without fear or favour smith acted as a critical voice on church and society from the 1950s to the time of his passing in 2020 deconstructing the western myth of hierarchical concepts of human races in which self interest placed white europeans at the top and black africans at the bottom smith argued relentlessly for a restructuring of the world away from a european interpretation and understanding to an incorporation of the worldviews of other cultures a major public figure in the 1970s smith s prolific writing on theology and development set him apart as a pioneering theologian from the reformed tradition contributing greatly to the development of a caribbean theology in caribbean prophet the public theology of ashley smith the contributors leading scholars within jamaica from different faith traditions articulate the different ways in which smith s public theology utilized the experiences of african jamaicans to redefine their humanity and identity focusing on their resilience to build agency the result is an exposition of ashley smith the pioneer his speaking truth to power his contribution to caribbean theology as an educator and scholar and his enduring legacy

Caribbean Prophet: The Public Theology of Ashley Smith 2022-10-03 what is the role of the church in society what role did the church play in south africa during apartheid in the struggle against apartheid and during the period of transformation the essays collected and published in this volume deal with questions such as these they are all occasional pieces they were written over two decades and reflect the times in which they originated always intended for specific audiences always addressing issues of the particular moment

Essays in Public Theology 2007 this book imagines new modes of religious response to trauma moving beyond simple answers to the why of human suffering toward discussions of profound expressions of faith in the aftermath of trauma engaging current realities such as war race and climate change chapters feature specific locations from which theology is done and draw on the resources of christian faith in order to respond this volume recognizes religious leaders as first responders to trauma and offers theological reflections that can stand up

in the current realities of violence and its aftermath the writings provide models for how to integrate the language of faith with the literature of trauma

Post-Traumatic Public Theology 2016-11-02 as we are faced with recurring crises financial migration climate etc there is a need to reconsider public theology as both a practice and a field of study by discussing public statements made by christians faced with different kinds of crisis this book contributes to the development and understanding of public theology the public statements addressed are three kairos documents the kairos document from south africa in the mid 1980s the road to damascus document from authors in developing countries issued in 1989 and the palestinian kairos document from 2009 the discussion is structured around three problems of public theology social analysis politics and ethics and language and voice fretheim suggests a constructionist understanding of public theology a public theology that interrupts current debates and expands the imagination of the public sphere as public theology is concerned with public life and social issues interruption and imagination will be of interest to scholars and students of theology political science sociology and religious studies as well as practitioners policymakers and professionals in the public sector civil society churches and christian organizations

Interruption and Imagination 2016-12-22 seit einigen jahren dient der begriff public theology als oberbegriff für eine internationale und sehr heterogene debatte gemeinsam ist den vertretern der bezug auf den öffentlichen charakter ihres gegenstandes und ihrer methodik die vorliegende studie führt zum einen in die entstehung und die entwicklung der public theology in den usa und in deutschland ein zum anderen rekonstruiert sie eine der frühesten konzeptionen öffentlicher theologie vorgelegt von dem us amerikanischen soziaethiker max l stackhouse 1938 sein breites werk wird erstmalig umfassend in seiner genese und systematik dargestellt und in seinen theologischen und sozialgeschichtlichen bezügen verortet eine kritisch konstruktive relecture seiner konzeption zeigt seinen beitrag für die aktuelle debatte

Öffentliche Theologie angesichts der Globalisierung 2014-05-06 this book explores the nature and significance of social engagement by megachurches using anglican and african diaspora pentecostal case studies it describes the range of social engagement activities offering explanations in term of theological motivations and the influence of globalisation

Megachurches and Social Engagement 2019-06-07 this well known christian ethicist ably bridges the gap between theology and political economy proposing a theologically informed view of modern economic life he traces the emergence of modern protestant and catholic views of the economic order from anti slavery movements to contemporary ecumenical themes he delineates the failures of socialist liberationist and laissez faire systems and retrieves the neglected contributions of such figures as shailer mathews and walter rauschenbusch while showing the continued relevance of max weber s view of economy and society for christian ethics he concludes that christian stewardship must cultivate and articulate a new public theology that will shape the structures and policies of public life originally published in 1987 by wm b eerdmans publishing co

Public Theology and Political Economy 1987 brazil is a rapidly emerging country brazilian theology namely the theology of liberation has become well known in the 1970s and 1980s the politically active base ecclesial communities and the progressive posture of the roman catholic church contrasted with a steadily growing number of evangelicals mostly aligned with the military regime but attractive precisely to the poor after democratic transition in the mid 1980s the context changed considerably democracy growing religious pluralism and mobility a vibrant civil society the political ascension of the worker s party and growing wealth albeit within a continuously wide social gap are some of the elements that show the need of a new approach to theology it must be a theology that is both critical and constructive resisting and cooperative a theology that is able to give orientation to the churches valuing and encouraging their contribution in society while avoiding attempts of imposition the churches and democracy in brazil the fruit of years of interdisciplinary study of the brazilian context and its main churches and theology makes its case for an ecumenically articulated public theology it seeks inspiration mainly in luther and lutheran theology emphasizing human dignity freedom trust the disposition to serve and the ability to endure the ambiguities of reality as well as a fresh interpretation of the doctrine of the two regiments these are the fundamental elements of what makes human beings full members of the body politic citizenship their right to have rights and to be able to effectively live them together with their corresponding duties in a move of growing political participation conscious of their religious motivation in view of the commonweal

The Churches and Democracy in Brazil 2012-05-04 in public theology and civil society author paul s chung charts the political history of modern democracy and social contract to define the role of christian public theology in the post colonial era capturing the thought of rousseau kant and rawls in reference to the dialectical theory of hegel and marx chung forges a new model of public theology for today s society engaging in an expansive conversation with the thought of major figures in philosophy political economy and theology paul chung articulates a compelling argument for a public theology that takes seriously our postcolonial context chung s prophetic perspective critiques the hierarchical structures and social stratification that threaten civil society upholding the values of justice democracy and peace among the religions this book constructs a public theology that engages diverse public

spheres toward the creation of a more equitable and diverse society craig l nissan professor of contextual theology and ethics wartburg theological seminary dubuque iowa how does political and emancipatory public theology look and function in post colonial reality dr chung makes a resounding case for christian public theology as explicitly ethical theology dr chung s excavation of some of the root causes and frameworks of oppression invites deep and theologically informed engagement in the affairs of the world kirsi stjerna los angeles southwest california synod professor of lutheran history and theology pacific lutheran theological seminary of california lutheran university
